

URGENT NOTICE

Water Supply Interruption

Friday, 23rd January 2026

Subject: Water Supply Interruption at Kortbegrip Kortbegrip Supply Scheme

Magalies Water hereby informs residents within areas of Rustenburg Local Municipality, supplied through the Kortbegrip Supply Scheme of low reservoir levels within the system. Consequently, in order to stabilize reservoir levels, the outlet of the reservoir has been closed off from 3pm to 10pm in order to build sufficient capacity in the system, while pumping continues.

The following areas will experience water supply interruptions during this period:

- Lethabong
- Modikwe
- Bethanie

During this period, Magalies Water will deploy water tankers to the affected areas in order to lessen the impact of the water supply interruption. Magalies Water apologizes for the inconvenience caused in this regard.

End.
