

URGENT NOTICE

Water Supply Interruption

Tswasa Water Treatment Scheme

Saturday, 21 FEBRUARY 2026

Subject: Broken electrical link in the forebay transformer at Tswasa Water Treatment Scheme.

Magalies Water hereby informs residents receiving water from the Tswasa Water Treatment scheme about Water Supply Interruption due to the broken electrical link at the forebay transformer.

The affected areas are Botswana, Madikwe game reserve, and Derdepoort boards post. Based on the current assessment, the repair is expected to be completed by 22 February 2026.

Residents are advised to use water sparingly and Magalies Water Apologizes for inconveniences caused in this regard.
