

URGENT NOTICE
Water Supply Interruption
Cullinan Water Treatment Plant

Sunday, 05 April 2026

Subject: Temporary Water Reduction Due to Emergency Cleaning.

Magalies Water hereby informs bulk customers receiving potable water supply through water treatment plant of envisaged water supply interruption. This is due to the emergency cleaning that is being carried out on one of the clarifiers on the Cullinan Water Treatment Plant. This maintenance is crucial in ensuring the quantity and quality output from the treatment plant is not compromised.

During this period, the plant is operating at half its capacity, from 05h00 to 20h00. As a result, customers may experience low water supply within City of Tshwane supplied areas from the scheme.

Residents are advised to use water sparingly and Magalies Water apologizes for the inconveniences caused in this regard.
