REQUEST FOR PROPOSALS:

TO TRAIN AND SUPPORT EXECUTIVES & SENIOR MANAGERS ON PERFORMANCE MANAGEMENT CONTRACTING FOR THE 2026/27 FINANCIAL YEAR

DATE ISSUED:

DEADLINE FOR SUBMISSION:

1. INTRODUCTION & BACKGROUND

Magalies Water (MW) is a water board with a head office situated in Rustenburg. It has three geographically dispersed operational areas around Pretoria, Rustenburg, the Ngaka Modiri Molema and Dr Ruth Segomotsi Mompati District Municipalities. MW is established in terms of Section 28 of the Water Services Act, 1997 (Act 108 of 1997 as amended, WSA) and its mandate is to provide water services in terms of Section 29 and 30 of the Water Services Act which provides for the establishment of Water Boards and defines their primary and secondary function respectively. Furthermore, Magalies Water contributes to the socio-economic development of its service areas by providing and supplying bulk potable water services to Water Authorities, Water Service Institutions, and other users.

2. OBJECTIVE

Magalies Water seeks to appoint a suitably qualified service provider to train and support Executives on performance management contracting for the 2026/27 performance cycle.

3. PURPOSE

The appointed service provider will conduct performance management contracting training for ten (10) Executives and fifteen (15) Senior Managers and provide individual support to ensure that each Executive's performance contract is aligned to the Magalies Water Corporate Plan, applicable Divisional Plans and measurable performance objectives.

4. DELIVERABLES

4.1 The deliverables for this project are as follows:

- 4.1.1** Facilitate performance management contracting training for Executives and Senior Managers, aligned to the Corporate Plan and applicable Divisional Plans.
- 4.1.2** Conduct a training session for all ten (10) Executives and fifteen (15) Senior Managers, covering the principles, process and expected quality standards for performance contracting.

- 4.1.3** Provide one-on-one support to each Executive to assist with the development, refinement and alignment of individual performance contracts, ensuring that each contract reflects the Executive's specific performance objectives, key performance indicators and contribution to the Corporate Plan and applicable Divisional Plans whilst aligned to the CEO's KPIs as determined by the Board.
- 4.1.4** Submit a close-out report confirming the training delivered, individual support provided, key alignment observations and recommendations, together with all revised individual Executive performance contracts.

5. REQUIREMENTS

The appointed service provider must be a credible provider of Human Resources services, specialising in Performance and Reward Management. The proposed lead resource must be a qualified HR expert with at least five (5) years' performance management experience, and the proposal must include at least three (3) contactable references for similar performance management contracting or executive performance support work completed within the last five (5) years.

6. SPECIFIC CONDITIONS

- The proposal must be submitted with all required information containing technical information as well as the price information on rates applicable.
- The project cost shall include all subsistence and travel cost incurred while undertaking the project between MW business locations.
- The prospective service provider is required to submit a proposal that will include but not limited to a detailed project methodology and outline ability to deliver on the project.
- Magalies Water reserves the right not to award the contract.
- Quotes should be on the letterheads, indicating the VAT registration number if VAT registered, and where possible include samples of previous similar work.
- The declaration of interest form must be filled in, signed and returned with the quotation.
- The Preferential Procurement Policy Framework Act will be applied.

7. EVALUATION

7.1 Preference Point System

Magalies Water shall evaluate proposals in two stages. Stage 1 will assess functionality against a minimum qualifying threshold of 75%. Service providers who do not meet the minimum

functionality threshold will not be considered for Stage 2, where the 80 (Price) and 20 (SPECIFIC GOALS) preference point system will be applied.

Service Providers' certified valid B-BBEE Certificates to be included, and failure to submit that will lead to automatic disqualification.

Only service providers registered on the Central Supplier Database (CSD) will be considered.
