NOTICE

Water Supply Interruptions

Mmabatho WTW Water Supply System

Monday, 7 September 2026

Subject: Low voltage at Mmabatho Water Treatment Plant

Magalies Water hereby informs customers about possible water supply interruption due to low voltage experienced at Mmabatho Water Treatment Plant. The plant is currently not operational, thereby affecting the entire treatment and pumping processes. Restoration period cannot be confirmed. Query has been logged with Eskom.

Affected customers are all the residents within Mahikeng Local Municipality supply area.

Magalies Water apologizes for the inconvenience caused and advises residents to use water sparingly.
