URGENT NOTICE

Water Supply Interruption

Sunday, 06th September 2026

Subject: Water Supply Interruption at Christiana Water Treatment Plant

Magalies Water hereby informs bulk customers receiving bulk water supply from the Christiana Water Treatment Plant, of envisaged water supply interruptions. This is due to a power outage on the side of Eskom. The power supply outage has caused the plant to be operated using Stand-by generators, until the power supply challenges on the side of Eskom have been resolved. At this stage, no estimated restoration time has been communicated. Water demand management has been implemented, to sustain current bulk water levels and ensure equitable distribution of bulk potable water supply, until the electricity outage has been resolved.

During this period the following areas will be affected:

- Utlwanang
- Geleskoord
- Christiana Township

Consumers are advised to use water sparingly to prevent prolonged water supply interruptions. Magalies Water apologizes for the inconvenience caused in this regard.
