Item No.	Description/Specification	Quantity
	RFQ – 10028491 1. Supply and install versatile earplug dispenser suitable for use in operational and workplace environments, must also include 1 refill pack of disposable cordless foam ear plugs (500 pieces) meeting the following minimum requirements: Dromex or equivalent Foam ear plugs requirements: -Suitable for countertop placement or wall mounting. -Provide easy, hygienic, and convenient access for employees in designated hearing protection areas. -Minimum capacity of 500 pairs of cordless disposable foam earplugs. -Be compatible with DR-030. -Be durable industrial-grade material suitable for frequent workplace use. -Be fitted with a transparent or semi-transparent housing to enable easy visual monitoring of refill levels. Specifications: -Dispenser Volume: 500 (Holds a bulk capacity of up to 500 uncorded foam earplugs). -Dispenser System: Push release coupled with a Turn release Construct (A mechanism where the user pushes/turns a rotary nozzle to drop earplugs into the tray, preventing cross-contamination). -Quick Release System: Allows the container housing to be quickly detached from the wall bracket for rapid refilling, maintenance, or washing. -Clear Container: A transparent plastic acrylic hopper that provides an instant visual volume check for restocking. -Mounting: Surface or wall mountable (Includes integrated rear mounting holes to flush-mount onto walls or workspace backing structures). -Catchment Tray: An integrated bottom-facing cradle catch tray that collects dispensed earplugs, preventing them from falling to the floor. -Container Screw Lock: Features a threaded top-locking secure lid to keep dust, moisture, and debris out of the earplug supply. -Colour: Black matte or industrial-grade backing structure/tray. -Size: OSFA (One Size Fits All universal hardware blueprint).
